President's report

Welcome to our 2015/16 bowling season, that is if you haven't already been down and had a roll yet. The green keeping staff have been very active putting a lot of time into rolling our greens and subsequently they are running very fast..

We have a good contingent of players away to Invercargill and Gore today (Sunday 27th Sept representing Central Bowls, good luck to them all.

Saturday saw the opening of Arrowtown BC, and some twenty odd players from QBC enjoyed the lovely spring sunshine and their hospitality.

The men have the first day of Wednesday Pennants being hosted at home next Wednesday 30th Sept, remember we need twelve players each Wednesday this year not eight as in previous years . Our Wednesday Mens all day Tournament still has eight bowlers.

Saturday Mens Pennants start this Saturday .Remember to put your names on the board!

Eric also has sheets up for our Club draws so also make his job easier and get your names up.

We have two of our members out at Lakes District Hospital, Henry Barker and Ron Nind, so if you're in the vicinity go in and cheer them up !

Colin Cassels .

UPDATES

We have lodged an application for building consent for the Shade Structure and hopefully once we get consent will be able to proceed with ordering the steel work and then a couple of working bees to set the steel work in place.

Once this is done we should be able to order the shade cloth, cheers Wayne D

JOKE OF THE DAY

Two ladies who were best friends are talking in Heaven.

1st woman: Hi Wanda.

2nd woman: Hi Sylvia. How'd you die?

1st woman: I froze to death.

2nd woman: How horrible!

1st woman: It wasn't so bad. After I quit shaking from the cold, I began to get warm and sleepy and finally died a peaceful death. What about you?

2nd woman: I died of a massive heart attack. I suspected that my husband was cheating, so I came home early to catch him in the act. But instead, I found him all by himself in the den watching TV.

1st woman: So, what happened?

2nd woman: I was so sure there was another woman there somewhere that I started running all over the house looking. I ran up into the attic and searched, and down into the basement. Then I went through every closet and checked under all the beds. I kept this up until I had looked everywhere and finally I became so exhausted that I just keeled over with a heart attack and died.

1st woman: Too bad you didn't look in the freezer -we'd both still be alive.

GOOD BOWLING ALL 😊
